Ethnic-Racial Identity and Personal Relationships
We are conducting a research project on ethnic-racial identity with a particular emphasis on personal relationships and self-concept. To participate in this study, you must be between the ages 18-30 and have AT LEAST ONE parent from the following racial-ethnic groups in the United States: American Indian/Alaska Native, Black/African-American, Asian/Asian-American, Hispanic/Latino, Pacific Islander. You will earn two (2) research credits for completing this questionnaire. To learn more information or complete the study, please click on the following link:
